

Memorandum

Date: June 7, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 8(H)(1)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Award a Designated Purchase Contract to Fairchild Tropical Botanic Garden, Inc. to Provide Biological Monitoring Services for Miami-Dade Natural Area Preserves

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the award of a Designated Purchase Contract to Fairchild Tropical Botanic Garden, Inc. (FTBG) to provide biological monitoring services for Miami-Dade County Natural Area Preserves and other land with rare or threatened species.

The biological monitoring services to be provided by FTBG under the recommended agreement are necessary for the continued effective management of natural area preserves which include more than 80 properties totaling in excess of 25,000 acres with over 100 endangered plant species. Given the time-sensitive need for these services and FTBG's unique qualifications to perform this work, the Designated Purchase procedure is recommended. To avoid the need for the future use of the Designated Purchase procedure, the County will evaluate the feasibility of utilizing competitive contracting processes to acquire the biological monitoring services to be provided by FTBG under the recommended agreement.

Scope

Fairchild Tropical Botanic Garden is located at 10901 Old Cutler Road, Coral Gables, FL 33156 in Commission District 7, represented by Commissioner Xavier L. Suarez; however, the services provided under the agreement are for nature preserves located throughout the County.

Fiscal Impact/Funding Source

The fiscal impact of this five-year agreement (Attachment A) is a payment by the County to FTBG for services in an amount not to exceed \$310,000.00. The terms of the agreement provide for FTBG to receive up to \$60,000.00 in FY 2015-16; \$70,000.00 for FY 2016-17; \$60,000.00 in FY 2017-18; \$60,000.00 in FY 2018-19; and \$60,000.00 in FY 2019-20, all on a reimbursement basis. Funding will be provided through the Miami-Dade Parks, Recreation and Open Spaces Department (PROS) in the amount of \$300,000.00 from general fund index Code PREOUT347801 and \$10,000.00 from general fund index code PREMETS558010.

Track Record/Monitor

The agreement will be administered by PROS through its Natural Areas Management Division Manager, Joe Maguire.

Delegated Authority

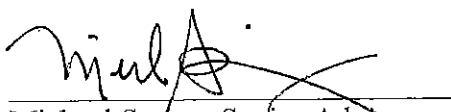

The County Mayor or Mayor's designee will have the authority to exercise all provisions of the agreement, including the amendment and termination provisions, consistent with Section 2-8.1 of the County Code and Administrative Order 3-38.

Background

On September 4, 2013, the Board approved Resolution No. R-688-13 authorizing the execution of a two-year agreement with FTBG for a Biological Monitoring Program for the County's natural area preserves. The current agreement with FTBG has resulted in many significant discoveries and accomplishments. FTBG coordinated the preparation of a comprehensive Natural Areas Management Plan, completed and published a study on the impacts of the exotic Natal Grass on native pine rockland habitat, analyzed 10 years of wildland fire records, discovered numerous new populations of critically imperiled plants, collected, grew and outplanted more than a dozen species to augment dwindling wild populations, and monitored and mapped populations of more than 25 critically imperiled plant species.

FTBG is an internationally renowned botanical garden that provides a unique combination of experience and resources for this project. Under the proposed contract, FTBG will continue to implement the Biological Monitoring Program for plant conservation, and assist in updating adaptive habitat restoration plans that will include community and species level goals, restoration priorities, and measurable objectives. Additionally, FTBG will design monitoring programs for plants of critical importance, fire effects on plants and habitats, update the Richmond Pineland Management Plan to include current biological surveys, and measure impacts of public recreation on native habitats. FTBG will devote one part-time staff person to the monitoring program. As per Section 2-8.1(b)(3) of the Code that the County pursue the maximum amount of competition available under the circumstances for a Designated Purchase, PROS contacted two other firms; however, both firms were unable to provide all of the required services and having multiple firms and contracts is not viable.

The County has a long history of successful collaboration with FTBG on the monitoring of nature preserves. In 1989, FTBG and the County entered into a Conservation Partnership whereby FTBG assisted in developing management plans for numerous park preserve areas. In the wake of Hurricane Andrew, the County contracted with FTBG through Resolution No. R-1556-93 to develop a geographical information system based remote sensing program that allowed PROS's resource managers to identify non-native plant species invasions. This monitoring system was useful in tracking large-scale vegetation patterns in post-hurricane vegetation management. The Biological Monitoring Program for the County's natural area preserves was developed and implemented after Board approval of Resolution No. R-841-02 in 2002 and has remained a successful partnership with FTBG throughout the years.

Office of the Mayor

1.02 Fairchild's Designation of Project Manager. To accomplish the objectives outlined in § 1.01 of this Agreement, Fairchild shall, within thirty (30) days of the execution of this Agreement by both parties, provide the County the name and resume of a Project Manager employed by Fairchild that will be assigned to work on the Biological Monitoring Program. Work under this Agreement will be limited to that which the Fairchild Project Manager and/or his/her designee can carry out during twenty hours per week per year for five years, with the exception of the remainder of FY2016, when the Project Manager and/or his/her designee could work up to forty hours per week. The parties understand and agree that the Project Manager will be required to devote a portion of this part-time work at Fairchild and not in the field.

1.03 "Project" Defined. For the purposes of this Agreement, the term "Project" shall include all of Fairchild's duties and responsibilities required to perform the work and accomplish the results described in §§ 1.01 and 1.02 of this Agreement.

ARTICLE 2

COMPENSATION TO FAIRCHILD

2.01 Definition of Project and Administrative Costs. As used in this Agreement, "Project and Administrative Costs" shall mean the wages and benefits of the Project Manager, travel expenses, materials for Fairchild's Geographic Information Systems, attendance at relevant scientific meetings, field and office supplies, data storage, batteries, software, books, journals, and printing. Project and Administrative Costs shall also include up to fifty-one percent (51%) of the wages and benefits paid by Fairchild to the Project Manager and any other Fairchild employees working directly on the Project, based on the percentage of their total work schedule that the Project Manager and those other Fairchild

employees devote to the Project. In all events, Project and Administrative Costs shall be limited to those above-described categories of expenses that Fairchild incurs directly as a result of its entry into this Agreement, and in no event shall Project and Administrative Costs include the wages and benefits paid to individuals performing administrative duties for Fairchild (e.g., executives, accountants, and clerks).

2.02 Reimbursement for Project and Administrative Costs. In consideration of Fairchild's services to be rendered pursuant to this Agreement, County shall pay Project and Administrative Costs on a cost-reimbursable basis, in an amount not to exceed the cost schedule attached hereto as "Exhibit A."

2.03 Manner of Invoicing. Fairchild shall invoice the County through PROS on a twice-annual basis. Invoices shall be directed to Parks, Recreation and Open Spaces Department, Natural Areas Management Division, 22200 Southwest 137th Avenue, Miami, Florida, 33170. All invoices submitted to the County pursuant to this § 2.03 shall be accompanied by backup documentation justifying the Project and Administrative Costs for which reimbursement is sought. With each invoice, the Project Manager shall submit a semi-annual summary describing, at a minimum, the work performed under this Agreement and progress on the objectives described in § 1.01 of this Agreement. Payment shall be due to Fairchild within thirty (30) days of delivery of a proper invoice and summary to PROS.

2.04 Maintenance of Records and Audit Rights. Fairchild shall maintain accurate and complete books, records, and documents such as vouchers, bills, invoices, receipts, cancelled checks, and contracts, sufficient to reflect properly all receipts and expenditures of funds for the purposes expressed herein. The system of accounting will be in accordance with generally accepted accounting principles, consistently applied. Fairchild shall permit, upon request, authorized representatives of the County to inspect and audit all books, records, documents and other supporting data and documentation relating to its performance of this Agreement. These rights of audit shall extend for a period of five (5) years following the completion of the Project.

2.05 Miami-Dade County Inspector General Review. Under § 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all County contracts, throughout the duration of said contracts. The cost of the audit for this Agreement shall be one quarter (1/4) of one percent (1%) of the total contract amount, which cost shall be included in the total contract amount. The audit cost will be deducted by the County from all payments due to Fairchild under this Article. The audit cost shall also be included in contract renewals and extensions.

2.06 Delinquencies Prohibited. As required by § 2-8.1(c) of the Code of Miami-Dade County, upon entering into this Agreement, Fairchild shall verify that all delinquent and currently due fees or taxes (including, but not limited to, real and personal property taxes, utility taxes, and occupational license taxes) collected in the normal course by the Miami-Dade County Tax Collector and County-issued parking tickets for vehicles

registered in the name of Fairchild, have been paid. To the extent Fairchild is, or during the term of the Agreement becomes, delinquent on any of the foregoing obligations, the County shall be entitled to deduct any such delinquent amount from any payment due under this Article.

ARTICLE 3

USE AND OWNERSHIP OF INFORMATION

3.01 Fairchild's Right to Use Information and Data. TERMINATION

5.01 Termination. This Agreement may be terminated by either party, with or without cause, upon sixty (60) days written notice, which notice shall specify the termination date. Upon delivery of a written notice of termination, all work on the Project shall cease, and Fairchild shall submit an invoice in the manner described in § 2.03 of this Agreement, setting forth all Project and Administrative Costs incurred through the termination date, unless the County agrees to a different date in writing. The County shall pay the invoice submitted pursuant to this § 5.01 in the manner described in § 2.03 of this Agreement. If either party terminates the other for cause, for a default not justified by an event of force majeure, then a termination under this § 5.01 shall be without prejudice to the non-defaulting party's right to pursue damages against the defaulting party, provided that neither party shall be entitled to pursue or recover indirect or consequential damages (including, but not limited to, lost profits or revenue or damages for loss of good will) against the other.

ARTICLE 6

MISCELLANEOUS TERMS

6.01 Amendments. This Agreement may be modified or amended only by

written document executed by both parties. In the case of the County, amendments that (1) decrease the scope of work under § 1.01 of this Agreement or (2) provide for the payment of additional County funds to Fairchild, shall require the approval of the Board of County Commissioners. Any other amendments may be approved, in writing, by the County Mayor or designee, subject to the approval of the County Attorney for form and legal sufficiency.

Within thirty (30) days of the Effective Date of this Agreement, Fairchild shall be required to complete and submit the Uniform County Affidavit available online at <http://www.miamidade.gov/procurement/library/vendor-affidavits.pdf>. Fairchild's failure to submit the Uniform County Affidavit shall render this Agreement voidable at the County's sole and exclusive election.

Venue for any court action between the parties shall be in the Eleventh Judicial Circuit in and for Miami-Dade County, Florida, or in the Miami Division of the U.S. District Court for the Southern District of Florida.

Nothing in this Agreement, expressed or implied, is intended to (a) confer upon any entity or person, other than the expressed parties herein, any rights or remedies under or by reason of this Agreement as a third-party beneficiary, or otherwise; or (b) authorize anyone not a party to this Agreement to maintain an action pursuant to or based upon this Agreement.

6.10 Non-Discrimination. Fairchild does hereby for itself, its personal representatives, successors in interest, and assignors, as part of the consideration hereof, covenant and agree that no person on the ground of race, color, religion, ancestry, national origin, sex, pregnancy, marital status, familial status, gender identity or gender expression, status as a victim of domestic violence, dating violence or stalking, sexual orientation, age, residency within or outside the County, or handicap shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in connection with the performance of this Agreement, except as provided by law. In the event of breach of any of the above non-discrimination covenants, the County shall have the right to terminate the Agreement. This provision shall not be effective, where applicable, until the procedures of Title 45, Code of Federal Regulations, Part 80, are followed and completed including exercise or expiration of appellate rights.
